Cambridge have an established and ever expanding academic law list in public and private law subjects crossing books and journals aimed at a global readership.

Particular strengths lie in international law, human rights and transitional justice, transnational and comparative law, jurisprudence, and legal history.

We also publish a growing number of titles with an inter-disciplinary and socio-legal approach.

Cambridge Yearbook *of* European Legal Studies

Volume 20

2018

The *Cambridge Yearbook of European Legal Studies (CYELS)* offers authors and readers a space for sustained reflection and conversation about the challenges facing Europe and the diverse legal contexts in which those challenges are addressed. It identifies European Legal Studies as a broad field of legal enquiry encompassing not only European Union law but also the law emanating from the Council of Europe; comparative European public and private law; and national law in its interaction with European legal sources.

The *Yearbook* is a publication of the Centre for European Legal Studies, Faculty of Law, University of Cambridge.
