The Netherlands Trauma Conference on
Developmental and Social Trauma Issues at the
End of the Millennium

The Nicolaes Tulp Institute of the Academic Medical Center, University of Amsterdam is organizing the Netherlands Trauma Conference on Developmental and Social Trauma Issues at the End of the Millennium, to take place on 23–25 September 1999 at the Academic Medical Center, Amsterdam, The Netherlands. During the conference some of the major findings regarding the sequel of traumatization will be highlighted. Developmental and psychophysiological aspects will be presented, indicating essential knowledge for professionals in both child/adolescent and adult mental-health fields.
