

ERRATUM

Increasing misreporting levels of induced abortion in Turkey: is this due to social desirability bias? – ERRATUM

Melike Saraç and İsmet Koç

<https://doi.org/10.1017/S0021932019000397>, Published by Cambridge University Press, 17 June 2019.

Keywords: Social desirability bias; Misreporting; Induced abortion; erratum

Table 2 in this paper should appear as follows:

Table 2. Description of sensitivity and specificity levels used to describe the gap between reported and predicted spontaneous and induced abortions

Reported abortions	Predicted abortions	
	Spontaneous abortions	Induced abortions
Spontaneous abortion	x	z
Induced abortion	y	t
Total	$x + y$	$z + t$
	Sensitivity = $1 - \frac{x}{x+y}$	Specificity = $1 - \frac{t}{z+t}$
