Editorial from the Editor in Chief

DIETER H.H. HOFFMANN

Volume 24, Number 1, Pages 1–2, 2006)

Below is the correct Reference citations for Desai and Pant (2006) and Kanapathipillai (2006).

DESAI, T. & PANT, H.C. (2006). Guest Editor's Preface: Second International Conference on the Frontiers of Plasma Physics and Technology. *Laser Part. Beams* **24**, 3–4.

KANAPATHIPILLAI, M. (2006). Nonlinear absorption of ultra short laser pulses by clusters. *Laser Part. Beams* **24**, 9–14.

Generation and transport of fast electrons inside cone targets irradiated by intense laser pulses

TATSUFUMI NAKAMURA, HITOSHI SAKAGAMI, TOMOYUKI JOHZAKI,
HIDEO NAGATOMO, AND KUNIOKI MIMA

Volume 24, Number 1, Pages 5–8, 2006)

Below is the correct Reference citation for Chen and Wilks (2005).

CHEN, H. & WILKS, S.C. (2005). Evidence of enhanced effective hot electron temperatures in ultraintense laser-solid interactions due to reflexing. *Laser Part. Beams* **23**, 411–416.

Between two stream and filamentation instabilities: Temperature and collisions effects

ANTOINE BRET, MARIE-CHRISTINE FIRPO, AND CLAUDE DEUTSCH

Volume 24, Number 1, Pages 27–33, 2006)

Below is the correct Reference citation for Deutsch et al. (1997).

DEUTSCH, C., FURUKAWA, H., MIMA, K., MURAKAMI, M. & NISHIHARA, K. (1997). Interaction physics of the fast ignitor concept. *Laser Part. Beams* **15**, 557–564.

On the theory of spatial photon localization: Fundamentals and the role of near-field plasma screening

OLE KELLER

Volume 24, Number 1, Pages 61–70, 2006)

Below is the correct Reference citation for Shokri *et al.* (2004a, 2004b).

SHOKRI, B., NIKNAM, A.R. & KRAINOV, V. (2004a). Cluster structure effects on the interaction of an ultrashort intense laser field with large clusters. *Laser Part. Beams* **22**, 13–18.

SHOKRI, B., NIKNAM, A.R. & SMIRNOV, M. (2004b). Ionization processes in the ultrashort intense laser field interaction with large clusters. *Laser Part. Beams* **22**, 45–50

Core holes, charge disorder, and transition from metallic to plasma properties in ultrashort pulse irradiation of metals

DIMITRI V. FISHER, ZOHAR HENIS, SHALOM ELIEZER, AND JUERGEN MEYER-TER-VEHN

Volume 24, Number 1, Pages 81–94, 2006)

On page 83, the correct citation for Ke Lan and Meyer-Ter-Vehn (2004) should be: Lan *et al.* (2004).

Below is the correct Reference citation for Lan *et al.* (2004).

LAN, K., FILL, E. & MEYER-TER-VEHN, J. (2004). Photopumping of XUV lasers by XFEL radiation. *Laser Part. Beams* **22**, 261–266.
