The Impact of Subsidies on Persistent and Transient Technical Inefficiency: Evidence from Polish Dairy Farms – ERRATUM

Andrzej Pisulewski and Jerzy Marzec

<https://doi.org/10.1017/aae.2022.26>. Published by Cambridge University Press, 07 October 2022.

Keywords: dairy farms; panel data; random effects; stochastic frontier analysis; C23; C51; D24; Q12; Q18

The corresponding author has brought our attention to the fact that the competing interest, data availability, funding and author contribution statements, which were provided with the original submission, were not included in the final published version of the article.

We apologise to the author for this oversight and issue this erratum to correct the scholarly record.

The following statements relate to Pisulewski A, Marzec J. The Impact of Subsidies on Persistent and Transient Technical Inefficiency: Evidence from Polish Dairy Farms. *Journal of Agricultural and Applied Economics*. 2022;54(4):561-582. doi:10.1017/aae.2022.26

Competing Interests: Andrzej Pisulewski and Jerzy Marzec declare none.

Data availability statement: The data that support the findings of this study are not publicly available due to Farm Accountancy Data Network (FADN) restrictions.

Financial support: This work was supported by the subsidy granted to the Cracow University of Economics.

Author Contributions: Conceptualization, A.P. and J.M.; Methodology, A.P. and J.M.; Formal Analysis, A.P. and J.M.; Data Curation, J.M. and A.P.; Writing—Original Draft, A.P. and J.M., Writing—Review and Editing, A.P. and J.M.; Supervision, J.M. and A.P.; Funding Acquisition, J.M. and A.P.
