

Index of Authors

Small roman numerals refer to pages in Abstracts of Communications read at Open Scientific Meetings of The Nutrition Society.

Entries marked with an asterisk () are those printed only by title.*

- ALDRICH, D. T. A. *see* HOLMES, W. 9
- *AMOROSO, E. C. Placental transmission and foetal nutrition 51
- ARMSTRONG, D. G., BLAXTER, K. L., GRAHAM, N. MCC. and WAINMAN, F. W. The energetic efficiency of fat synthesis from mixtures of steam-volatile fatty acids in sheep xvii
- BAGCHI, K. The effects of low-protein diet and of methionine sulphoximine on the sulphhydryl content of the lens of the eyes of the rat xxiv
- BARKER, A. S. Fertilizer nitrogen and milk production from grassland. A review of experience on commercial farms 14
- BELLIS, D. B. Some problems in the nutrition of the baby pig 98
- BENDER, A. E. Nutritive value of bread protein fortified with amino-acids xviii
- BILLEWICZ, W. Z. and THOMSON, A. M. The effect of maternal social class and stature upon the incidence of prematurity v
- BLACK, D. A. K. The breakdown of the water equilibrium in disease 123
- BLACKBURN, P. S., BLAXTER, K. L. and CASTLE, E. J. Vitamin D₃ toxicity in calves xvi
- BLAXTER, K. L. The effects of defective nutrition during pregnancy in farm livestock 52
- BLAXTER, K. L., GRAHAM, N. MCC. and WAINMAN, F. W. Energy retention of sheep in relation to environmental temperature iii
- BLAXTER, K. L., HUTCHESON, M. K., SHARMAN, G. A. M. and MACDONALD, A. M. Anaemia in calves i
- BLAXTER, K. L. *see also* ARMSTRONG, D. G. xvii
- BLAXTER, K. L. *see also* BLACKBURN, P. S. xvi
- BOURNE, G. H. Some aspects of the feeding of dogs and other carnivora 93
- *BRANSBY, E. R. The fluid intake of children, adults and the elderly xx
- BROOME, A. J. W. *see* LAMMING, G. E. xxvii
- CALDER, A. F. C. *see* LUCAS, I. A. M. i, iv
- CASSIDY, J. The commercial manufacture of compressed diets for laboratory animals 63
- CASTLE, E. J. *see* BLACKBURN, P. S. xvi
- COATES, M. E. and HARRISON, G. F. A rachitogenic factor in pig's liver xxi
- COWAN, K. Public-health aspects of food poisoning 136
- CREMER, H. W. The water supplies and water requirements of the modern state 103
- CRUICKSHANK, E. M. and KODICEK, E. Effect of cortisone on toxicity of vitamin D₃ in rats xiv
- CURRIE, L. E. Protecting food at home and in the canteen 157
- CUTHBERTSON, W. F. J. Nutrient requirements of rats and mice 70
- DAVIDSON, L. S. P. Chairman's introductory remarks 135
- DAVIES, W. The grassland environment i
- DOLLAR, A. M., MITCHELL, K. G. and PORTER, J. W. G. The utilization of carbohydrates in the young pig xii
- DONE, J. and PAYNE, P. R. The estimation of the dilution of tritium-labelled water of low activity in body fluids in man vii
- ELKINTON, J. R. The relationship of water and salt 113
- GARRY, R. C. Chairman's introductory remarks 37
- GEORGALA, D. L. *see* SHEWAN, J. M. 161
- GODWIN, K. O. Nutritional fibrosis of the liver xxii
- GRAHAM, N. MCC. *see* ARMSTRONG, D. G. xvii
- GRAHAM, N. MCC. *see* BLAXTER, K. L. iii
- GUEST, E. W. G. The viewpoint of catering management 152
- HARRIES, J. M. and HUGHES, T. F. An enumeration of the 'cravings' of some pregnant women xx
- HARRISON, G. F. *see* COATES, M. E. xxi
- HEAD, M. J. and ROOK, J. A. F. Some effects of spring grass on rumen digestion and the metabolism of the dairy cow 25
- HEARD, C. R. C. Prolidase and nitrogen content of intestinal mucosa in normal and protein-deficient animals xi
- HOLMES, W. and ALDRICH, D. T. A. Nitrogenous fertilizers and the production of crops and grass 9
- HOWIE, J. W. The bacteriology of food poisoning 141
- HUGHES, T. F. *see* HARRIES, J. M. xx
- HUME, E. M. Monkey welfare 87
- HUTCHESON, M. K. *see* BLAXTER, K. L. i
- HYTTEN, F. E. *see* YORSTON, J. C. vi
- KHAIRY, M., RUSSELL, R. W. and YUDKIN, J. Further studies on the effects of thiamine deficiency and of caloric deficiency on behaviour in the rat xxv

- KNOWLES, C. B. Protein malnutrition in the pig ix
- KODICEK, E. and MISTRY, S. P. Biological activity for the rat of streptogenin-like peptides in partially hydrolysed proteins xiii
- KODICEK, E. *see also* CRUICKSHANK, E. M. xiv
- LAMMING, G. E. and BROOME, A. J. W. The effect of implanting diethylstilboestrol and hexoestrol on the growth of fattening sheep and cattle xxvii
- LANE-PETTER, W. Modern ways of feeding laboratory animals 59
- LEITCH, I. Changing concepts in the nutritional physiology of human pregnancy 38
- LUCAS, I. A. M. and CALDER, A. F. C. A comparison of five levels of copper sulphate in rations for growing pigs i
- LUCAS, I. A. M. and CALDER, A. F. C. The effect of housing on the response of growing pigs to dietary supplements of antibiotic and of certain vitamins iv
- MACDONALD, A. M. *see* BLAXTER, K. L. i
- MCGILLIVRAY, W. A. and THOMPSON, S. Y. The influence of pasture on the vitamin A and carotene in the milk of cows 30
- McLAREN, D. S. Chronic protein deficiency and some congenital abnormalities of the eye of the rat xxiii
- MANN, T. and ROWSON, L. E. A. A study of the relationship between nutrition and reproduction in identical twin bulls xviii
- MILLER, P. J. *see* PLATT, B. S. ix
- MISTRY, S. P. *see* KODICEK, E. xiii
- MITCHELL, K. G. *see* DOLLAR, A. M. xii
- MOORE, J. H. *see* TAYLOR, T. G. xxvi
- MOORE, T., SHARMAN, I. M. and WARD, R. J. Flour and bread, prepared with or without treatment with chlorine dioxide, as long-term sources of vitamin E for rats xix
- PARRY, H. B. Inspection of food 147
- PATERSON, J. S. The role of an adequate diet in the production of healthy guinea-pigs 83
- PAYNE, P. R. *see* DONE, J. vii
- PELLETT, P. L. Level of protein in the diet and apparent nitrogen digestibility in the pig x
- PLATT, B. S. and MILLER, P. J. Chronic protein malnutrition in the rat: reproductive performance ix
