

Reviewers' List 2015

On behalf of the editorial board, the I would like to thank the following colleagues for their contribution as peer reviewers during the past year. It is thanks to the anonymous contributions of these scientists that the journal can function and science can flourish.

Theo van Hintum, Wageningen, The Netherlands
Editor-in-Chief

The anonymous reviewers of Plant Genetic Resources Characterization and Utilization in the year 2015:

- R. Abdolshahi, *Kerman, Iran*
S. Agostino, *Reggio Calabria, Italy*
