Editorial Staff

Joan D. Enerlich *Technical Editor and Administrative Assistant*

Editorial Policy

The purpose of the *Journal* is to provide a forum for creative and scholarly work in agricultural economics and related areas. Contributions on methodology and applications in business, extension, research and teaching phases of agricultural economics are equally encouraged. Only submitted articles recommended by the editorial council are accepted for publication. Criticism of articles is encouraged and comments and replies will be published, subject to editorial review.

Editorial Communications
