<i>Treasurer:</i>	B. D. JONES	Department of Mathematics, University of Queensland, St. Lucia, Qld. 4067
<i>Associate Treasurer:</i>	D. G. TACON	School of Mathematics, University of New South Wales, Kensington, N.S.W. 2033
<i>Membership subscriptions (for 1984):</i>	Ordinary members: Reciprocal and reduced rate members: Sustaining members: Institutional members:	A\$38 (or \$32 if paid before 31 December 1983) A\$19 (or \$16 if paid before 31 December 1983) A\$76 (or \$64 if paid before 31 December 1983) A\$333 (this includes all publications)

Reciprocity agreements: Such agreements have been made with a number of other mathematical societies. Under the agreements members of the other societies who are not normally resident in Australia may join the Australian Mathematical Society at half the current rates.

Membership and correspondence: Applications for membership, notice of change of address or title or position, and other correspondence, except as noted below, should be sent to the Secretary. Member's subscriptions and correspondence related to accounts should be sent to the Associate Treasurer. Correspondence about the distribution of the Society's GAZETTE, JOURNAL and BULLETIN, and orders for back numbers, should be sent to the Treasurer.

Members of the Society receive copies of the GAZETTE free, and may subscribe to any of the Society's research publications, the JOURNAL (Series A) for A\$20, the JOURNAL (Series B) for A\$14 and the BULLETIN for A\$17 (for the year 1984). For reduced rate members the subscription rates are half those quoted.

OTHER PUBLICATIONS OF THE SOCIETY

The *JOURNAL SERIES B*. This series contains papers on applied mathematics. It is published in volumes comprising four parts, starting with Volume XIX Part 1, 1975. One volume of 4 parts will be published in 1984, the price to non-members is A\$84.00 for 1984. Typescripts for publication should be sent to the Editor,

Professor W. E. SMITH,
School of Mathematics,
University of New South Wales,
Kensington, N.S.W. 2033, Australia

The *BULLETIN* of the Australian Mathematical Society began publication in 1969. It aims at quick publication of original research in all branches of mathematics. Normally two volumes of three parts are published annually. The price to non-members is A\$126.00 for 1984. Each paper for publication should include an abstract and a 1980 Mathematics Subject Classification. Three copies of the typescript should be sent to the Editor.
