- The ability to serve in APA leadership, including committees and governance
- And more!

"I've been a member of the APA since grad school, and this year I became a Lifetime Member. **Philosophy as a field is thriving, in no small part because the APA fiercely advocates for faculty, students, and publicly engaged work.** I value my APA membership because I think we all have a duty to share in this stewardship."

~Meghan Sullivan

Philosophy

Books and Journals from
Cambridge University Press

Cambridge is widely regarded as one of the world's premier publishers of philosophical research, having one of the most recognisable and distinguished books lists as well as a growing collection of leading journals.

Our list brings a range of high-quality books by distinguished authors to readers at both student and specialist level.

All periods and sub-areas of philosophy are covered, and the list is particularly strong in history of philosophy.
