

Examination Results

Preliminary Test—February 1985

From a total of 338 candidates, 160 were successful in passing the Preliminary Test. These passes are valid for a period of five years. If any candidate fails to pass the Membership Examination within the five years of passing the Preliminary Test, then he/she would be required to sit the Preliminary Test again before making a further attempt at the Membership Examination.

The names are arranged alphabetically according to the centre at which the candidate sat the Preliminary Test.
