

Referees for volume 34, 2014

The Editor warmly thanks the following referees who generously provided evaluations and constructive suggestions on submitted typescripts.

- Marja Aartsen, VU-University Amsterdam, Netherlands.
- Michele Abendstern, University of Manchester.
- Kathryn Adams, Case Western Reserve University, USA.
- Neda Agahi, Karolinska Institutet, Sweden.
- Iris Aguilar, University of Southern California, USA.
- Anya Ahmed, University of Salford.
- Karim Ahmed-Mohamed, Spanish National Research Council, Spain.
- Akile Ahmet, Brunel University.
- Rosemary Aird, Queensland University of Technology, Australia.
- Isabelle Albert, University of Luxembourg, Luxembourg.
- Marco Albertini, Instituto Juan March, Spain.
- Ruth Allen, University of Auckland, New Zealand.
- Javier Alvarez-Galvez, Universidad Loyola Andalucía, Spain.
- Hussein Amery, Colorado School of Mines, USA.
- Barbara Anderson, University of Michigan, USA.
- Eva Andersson, Stockholm University, Sweden.
- Janicke Andersson, Lund University, Sweden.
- Lars Andersson, Linköping University, Sweden.
- Gavin Andrews, McMaster University, Canada.
- Viola Angelini, University of Groningen, Netherlands.
- Michael Annear, University of Otago, New Zealand.
- James Antwi, Ministry of Health, Ghana.
- Kay Aranda, University of Brighton.
- Sara Arber, University of Surrey.
- Pat Armstrong, York University, Canada.
- Nicole Asquith, Deakin University, Australia.
- Iain Atherton, University of Stirling.
- Alma Au, The Hong Kong Polytechnic University, Hong Kong.
- Siobhan Austen, Curtin University of Technology, Australia.
- Liat Ayalon, Bar Ilan University, Israel.
- Mona Backhans, Stockholm County Council, Sweden.
- Cathy Bailey, Northumbria University.
- Sandra Bailey, Montana State University, USA.
- Simon Bailey, University of Manchester.
- Frédéric Balard, Institut national de la santé et de la recherche médicale, Paris, France.
- Silvia Balia, University of Cagliari, Italy.
- Alison Ballantyne, University of South Australia, Australia.
- Laura Banks, Brighton University.
- Patrick Barrett, University of Waikato, New Zealand.
- Bernadette Bartlam, Keele University.
- Helen Bartlett, Monash University, Australia.
- Theresia Baumker, University of Kent.
- Renée Beard, College of the Holy Cross, Worcester, Massachusetts, USA.
- François Béland, Université de Montréal, Canada.
- Susan Mary Benbow, Staffordshire University.
- Kate Bennett, Liverpool University.
- Michaela Benson, Goldsmith's University, London.
- Cecilia Berdes, Northwestern University, USA.
- Astrid Bergland, Oslo University College, Norway.
- Margaret Blake, NatCen Social Research.
- Jenni Blomgren, National Institute for Health and Welfare, Finland.
- Eric Bonsang, Maastricht University, Netherlands.
- Jamila Bookwala, Lafayette College, USA.
- Valeria Bordone, University of Mannheim, Germany.
- Lars-Erik Borge, Norwegian University of Science and Technology, Norway.
- Joanna Bornat, Open University.
- Kim Boudiny, University of Antwerp, Belgium.
- Sharon Bowland, Eastern Washington University, USA.
- Michal Boyd, University of Auckland, New Zealand.

- Martina Brandt, Max Planck Institute for Social Law and Social Policy, Germany.
- Sarah Brauner-Otto, Mississippi State University, USA.
- Elizabeth Breeze, University College London.
- Mary Breheny, Massey University, New Zealand.
- Bianca Brijnath, Monash University, Australia.
- Marjolein Broese van Groenou, VU University Amsterdam, Netherlands.
- Elizabeth Brooke, Swinburne University, Australia.
- Colette Browning, Monash University, Australia.
- Christine Brown-Wilson, University of Manchester.
- Catherine Buckley, University College Cork, Ireland.
- Freek Bucx, Netherlands Institute for Social Research, Netherlands.
- M. Belen Bueno Martinez, Universidad de Salamanca, Spain.
- Hilary Bungay, Anglia University.
- Kate Burningham, Surrey University.
- Markus Busemeyer, University of Konstanz, Germany.
- José Buz, University of Salamanca, Spain.
- Anne Byrne, National University of Ireland Galway, Ireland.
- Kavin Cahill, Boston College, USA.
- Marco Caliendo, University of Potsdam, Germany.
- Fiona Carmichael, University of Birmingham.
- Georgia Casanova, National Institute of Health and Science on Ageing, Italy.
- Bernard Casey, University of Warwick.
- Joyce Cavaye, The Open University.
- Alfred Chan, Lingnan University of Hong Kong.
- Neena Chappell, University of Victoria, Canada.
- Feinian Chen, University of Maryland, USA.
- Hengli Chen, University of Sussex.
- Taichang Chen, Renmin University, Beijing, China.
- Richard Cheston, University of the West of England.
- Chau-Kiu Cheung, City University of Hong Kong, China.
- Francis Cheung, Lingnan University, Hong Kong.
- Carolyn Chew Graham, Keele University.
- Carlos Chiatti, Italian National Institute on Ageing, Italy.
- Jill Chonody, Indiana University Northwest, USA.
- Kee-Lee Chou, Hong Kong Institute of Education, Hong Kong.
- Ian Christie, University of Surrey.
- Cecilia Chu, University of California, Berkeley, USA.
- Andrew Clark, University of Salford.
- Alan Clarke, Aberystwyth University.
- Charlotte Clarke, University of Edinburgh.
- Ernestina Coast, London School of Economics and Political Science.
- Lauren Cohen, University of North Carolina at Chapel Hill, USA.
- Karin Coifman, Columbia University, USA.
- Peter Coleman, University of Southampton.
- Ingrid Connidis, University of Western Ontario, Canada.
- Alberta Contarello, University of Padova, Italy.
- Glenda Cook, Northumbria University.
- Joanne Cook, University of Hull.
- Claudia Cooper, University College London.
- Anne Corden, University of York.
- Reinie Cordier, Curtin University, Australia.
- Joann Costa Font, London School of Economics and Political Science.
- Karen Croucher, University of York.
- Yuling Cui, Macquarie University, Australia.
- Kay Currie, Glasgow Caledonian University.
- Cassie Curryer, Newcastle University, Australia.
- Barbara Da Roit, Utrecht University, Netherlands.
- Lena Dahlberg, Dalarna University, Denmark.
- Robert Dalziel, International Scholar.
- Thecla Damianakis, University of Windsor, Canada.
- Judith Davey, Victoria University of Wellington, New Zealand.
- Kate Davidson, University of Surrey.
- Miranda Davies, Brunel University.
- Nicola Davies-Kelly, University of Otago, New Zealand.
- Sam Davis, Flinders University, Australia.
- Liesbeth De Donder, Vrije Universiteit Brussel, Belgium.
- Jenny de Jong Gierveld, Nederlands Interdisciplinair Demografisch Instituut, Netherlands.
- Tom De Winter, Vrije Universiteit Brussel, Belgium.
- Chris Deeming, Bristol University.
- Dieter Demey, University of Southampton.
- Martin Dietz, Institute for Employment Research, Germany.
- Christine Dobbs, Swansea University.
- Anna Duner, Gothenburg University, Sweden.

- Sandra Dwyer, University of Leicester.
Wendy Dyer, Northumbria University.
Joanne Earl, University of New South Wales, Australia.
Offer Edelstein, University of Haifa, Israel.
Ricca Edmondson, National University of Ireland, Galway, Ireland.
Valerie Egdell, Edinburg Napier University.
Henning Eichberg, University of Southern Denmark, Odense, Denmark.
Laura Ellingson, Santa Clara University, USA.
Julie Ellis, Latrobe University, Australia.
Theresa Ellmers, Surrey University.
Marja Elsinga, Delft University of Technology, Netherlands.
Josefin Eman, Umeå Universitet, Sweden.
Jo-Anne Everingham, University of Queensland, Australia.
Ingrid Evers, University of Surrey.
Jane Falkingham, University of Southampton.
Alexandra Farrow, Brunel University.
Gerard Fealy, University College Dublin, Ireland.
Qiushi Feng, National University of Singapore, Singapore.
Lee-ann Fenge, Bournemouth University.
Barbara Fersch, Aalborg University, Denmark.
Karen Fingerman, University of Texas, Austin, USA.
Katherine Fiori, Adelphi University, Garden City, USA.
Maria Fleischmann, Erasmus University Rotterdam, Netherlands.
Tineke Fokkema, Nederlands Interdisciplinair Demografisch Instituut, Netherlands.
Mark Frazier, The New School, New York, USA.
Christopher Fries, University of Manitoba, Canada.
Cristina Gagliardi, INRCA, Italy.
Linda Gallo, San Diego State University, USA.
Luis García, Autonomous University of Madrid, Spain.
Linda Gask, University of Manchester.
Margaret Gatling, James Cook University, Australia.
Susan Gee, Canterbury District Health Board, New Zealand.
Joanna Geerts, Federal Planning Bureau, Belgium.
Bob Gidlow, Lincoln University, New Zealand.
Kenneth Gilhooly, Brunel University.
Mary Gilhooly, Brunel University.
Chris Gilleard, University College London.
Karen Glaser, King's College London.
Petra Glover, University of East London.
Mary Godfrey, Leeds Institute of Health Sciences.
Monika Goldmann, Sozialforschungsstelle Dortmund, Germany.
Claire Goodman, University of Hertfordshire.
John Goodwin, University of Leicester.
Kristina Göransson, Lund University, Sweden.
Bevan Grant, Waikato University, New Zealand.
Judith Green, London School of Hygiene and Tropical Medicine.
Amanda Grenier, McMaster University, Canada.
Lisa Groger, Miami University, USA.
Emily Grundy, London School of Economics and Political Science.
Nancy Guberman, University of Quebec in Montreal, Canada.
Jeffrey Guhin, University of Virginia, USA.
Björn Gustafsson, Göteborg University, Sweden.
Helen Gutierrez, Oklahoma State University, USA.
Klaus Haberkern, University of Zurich, Switzerland.
Greta Häggblom-Kronlöf, Gothenburg University, Sweden.
Karsten Hank, University of Köln, Germany.
Cilla Harries, Brunel University.
Nigel Harris, Designability, Bath Institute of Medical Engineering.
Philip Haynes, Brighton University.
Siobhan Healy McGowan, National University of Ireland, Galway, Ireland.
Pia Hedberg, Umeå University, Sweden.
Kene Henkens, Nederlands Interdisciplinair Demografisch Instituut, Netherlands.
Tim Henwood, University of Queensland, Australia.
Ursula Henz, London School of Economics and Political Science.
Douglas Hershey, Oklahoma State University, USA.
Allan Hicks, King's College London.
Paul Higgs, University College London.
Sarah Hillcoat-Nalletamby, Swansea University.
Sharon Hinchliff, University of Sheffield.
Elsie Ho, University of Auckland, New Zealand.
Caroline Holland, Open University.
Hongmei Tong, University of Calgary, Canada.
Kenneth Howse, University of Oxford.

- Chang-ming Hsieh, University of Illinois at Chicago, USA.
- Chin-Shan Huang, National Chung Cheng University, Taiwan.
- Shirlena Huang, National University of Singapore, Singapore.
- Hui-Chuan Hsu, Asia University, Taiwan.
- Catherine Hughes, Unitec Institute of Technology, New Zealand.
- Jane Hughes, University of Manchester.
- Cecily Hunter, University of Melbourne, Australia.
- Laura Hurd Clarke, University of British Columbia, Canada.
- Sheren Hussein, King's College London.
- Martin Hyde, Stockholm University, Sweden.
- Steven Iliffe, University College London.
- Berit Ingersoll-Dayton, University of Michigan, USA.
- Anthea Innes, Bournemouth University.
- Susanne Iwarsson, Lund University, Sweden.
- Juliet Jain, University of the West of England.
- Anne Jamieson, Birkbeck University, London.
- Michael Janoschka, Universidad Autónoma de Madrid, Spain.
- Chrystal Jaye, University of Otago, New Zealand.
- Mark Jayne, University of Manchester.
- Andrew Jenkins, Institute of Education.
- Ron Johnston, University of Bristol.
- Karen Jones, University of Kent.
- Kip Jones, Bournemouth University.
- Jason Jurevich, Portland State University, USA.
- Karan Jutla, Worcester University.
- Shinya Kajitani, Meisei University, Japan.
- Cathleen Kappes, University of Leipzig, Germany.
- Etem Karakaya, Adnan Menderes University, Aydin, Turkey.
- John Keady, University of Manchester.
- Norah Keating, University of Alberta, Canada.
- Fiona Kelly, University of Bournemouth.
- Hal Kendig, Australian National University, Australia.
- Eva-Marie Kessler, Heidelberg University, Germany.
- Sarang Kim, Australian National University, Australia.
- Allison Kirkman, Victoria University of Wellington, New Zealand.
- Karen Kobayashi, University of Victoria, Canada.
- Kathrin Komp, Helsinki University, Finland.
- Pia Kontos, University of Toronto, Canada.
- Chaya Koren, University of Haifa, Israel.
- Neal Krause, University of Michigan, USA.
- Tahu Kukutai, University of Waikato, New Zealand.
- Jenny La Fontaine, University of Worcester.
- Steve La Grow, Massey University, New Zealand.
- Sarah Laditka, University of North Carolina at Charlotte, USA.
- Marten Lagergren, Stockholm Gerontology Research Center, Sweden.
- Mary Larkin, De Montfort University.
- Kate Lindemann, Mount St. Mary College, New York, USA.
- Howard Litwin, Hebrew University of Jerusalem, Israel.
- Ben Chi-pun Liu, Brunel University.
- Liz Lloyd, University of Bristol.
- Peter Lloyd-Sherlock, University of East Anglia.
- Rodrigo Lluberas, Royal Holloway University of London.
- Wendy Loretto, University of Edinburgh.
- Alexander Ludwig, University of Cologne, Germany.
- Rebekah Luff, University of Southampton.
- Anne Lund, Oslo University Hospital, Norway.
- Elizabeth MacKinlay, Charles Stuart University, Australia.
- Linda McAuliffe, LaTrobe University, Australia.
- Mark McCann, Queen's University Belfast.
- John McCormack, Latrobe University, Australia.
- Emma McGuirk, University of Otago, New Zealand.
- Anne McIntyre, Brunel University.
- Deirdre McLaughlin, University of Queensland, Australia.
- Sarah McLaughlin, University of Michigan, USA.
- Anne McMunn, University College London.
- Martin McNamara, University College Dublin, Ireland.
- Enguerran Macia, Centre national de la recherche scientifique, France.
- Pranitha Maharaj, University of KwaZulu-Natal, South Africa.
- Meiko Makita, University of Glasgow.
- Sue Malta, University of Melbourne, Australia.
- Man Wai Lun, Borough of Manhattan Community College, USA.
- Louise Mansfield, Brunel University.
- Juliana Mansvelt, Massey University, New Zealand.
- Filipa Marques, University of Aveiro, Portugal.

- Gabriele Marranci, Macquarie University, Australia.
- Karl Mayer, Yale University, USA.
- Robin Means, University of West England.
- Maria Medved, University of Manitoba, Canada.
- Verena Menec, University of Manitoba, Canada.
- Rebecca Miles, Florida State University, USA.
- Evonne Miller, Queensland University of Technology, Australia.
- Christine Milligan, Lancaster University.
- Moon Choi, University of Kentucky, USA.
- Jo Moriarty, King's College London.
- Ben Mortensen, Simon Fraser University, Canada.
- Charles Musselwhite, Swansea University.
- Herschel Nachlis, Princeton University, USA.
- Rhonda Nay, Latrobe University, Australia.
- Gopal Netuveli, Imperial College London.
- Stephen Neville, Massey University, New Zealand.
- Sheila Neysmith, University of Toronto, Canada.
- Jack Noone, University of Sydney, Australia.
- Nicola North, University of Auckland, New Zealand.
- Mikael Nygård, Åbo Akademi University, Sweden.
- Deborah O'Connor, University of British Columbia, Canada.
- Shaun O'Keeffe, Galway University Hospitals, Ireland.
- Angela O'Rand, Duke University, USA.
- Jodi Oakman, Latrobe University, Australia.
- Peter Orpin, University of Tasmania, Australia.
- Noreen Orr, University of Exeter.
- Stephanie Paillard-Borg, Karolinska Institutet, Sweden.
- Georgia Panagiotopou, Flinders University, Australia.
- Sam Parsons, Institute of Education, London.
- Sheila Peace, Open University.
- Liz Peel, University of Worcester.
- Margaret Penning, University of Victoria, Canada.
