CHILDREN AUSTRALIA
is the quarterly journal of
The National Children's Bureau
of Australia Inc.

The Bureau and its publications committee seek to provide in the journal an opportunity for providers to report on their work. It is also a forum where those concerned with the welfare of families and children might share their viewpoints with others. The views expressed therefore are not necessarily the views of the Bureau, the publications committee or the editor.

Citation of material should carry the name and issue of the journal. Permission to reproduce articles should be sought from the author.
