The publication of the PROCEEDINGS OF THE NUTRITION SOCIETY *in extenso* at the present time rather than later is regarded as a matter of urgent importance. The realization of the wish to do this has been made possible by the Royal College of Physicians, to whom The Nutrition Society owes its gratitude.

Kon, National Institute for Research in Dairying, University of Reading, and of the Scottish Group by Professor E. W. H. Cruickshank, Department of Physiology, Marischal College, Aberdeen, Dr. I. Leitch and Mr. J. S. Thomson, Rowett Research Institute, Bucksburn, Aberdeenshire; Hon. General Editor, Dr. S. K. Kon.

Information regarding the objects of The Nutrition Society and particulars of membership may be obtained from the Hon. Secretary of the Society, Dr. L. J. Harris, Dunn Nutritional Laboratory, Cambridge, or from the Hon. Secretary of the English Group, Dr. E. M. Cruickshank, Dunn Nutritional Laboratory, Cambridge, or from the Hon.
