1st International Cleft Lip and Palate Workshop

December 3–6, 2005
Chennai, India
The International Cleft Lip and Palate Foundation is a multi-disciplinary humanitarian foundation devoted to strengthening care activity in cleft lip and palate treatment through volunteer charity missions. The workshop is intended to provide an international forum where caregivers from the developing countries can learn advanced cleft surgical techniques from the world's foremost experts in the field. The workshop will feature live, interactive surgery sessions and scientific lectures centred on the recent innovations of cleft lip and palate treatment.
