The President, Royal College of Psychiatrists

Dear Prof

On the 19th of July I regained my freedom, thanks to the efforts of our College and all lovers of freedom and dignity of human-beings. I admired the 'letters' of our three Presidents to the 'Lancet' and our Bulletin, it worked wonders! This way we all feel that we really belong.

I would like to thank God and thank you, previous Presidents of our Great College and all members. Their letters instilled more hope into my soul. With more resolve let us all unite to create a world of PEACE, HUMAN RIGHTS AND HUMAN DIGNITY. A WORLD OF LOVE AND PROSPERITY FOR ALL.

Yours Very Truly

Ahmed Osman SIRAG
