LOOKING FOR A BOOK PUBLISHER?

IT IS NO SECRET that publication is regarded as the foundation stone of a scholar's career. In order to gain recognition, prestige, and advancement, the scholar must seek publication.

HERE AT EXPOSITION PRESS, WE OFFER scholars a complete publishing service, under our special academic imprint, "Exposition-University Books." Though the proportion of scholarly publications in the lists of the trade houses is shrinking, due to economic pressures, many of our recent titles in the academic fields have gained popular reviews, professional recognition and steady sales. These books are the result of a publishing plan that is bringing a steady flow of scholarly writers to Exposition Press. They reflect the high editorial standards and quality of design and production which have won the respect of libraries, schools, booksellers and critics. Ask for free catalogs.

FREE! The behind-the-scenes story of book publishing revealed in two fact-filled, illustrated brochures, containing a detailed description of our subsidy plan including a breakdown of contract terms and typical costs (in print for the first time). Copies are available on request. Your inquiries and manuscripts are invited. An editorial appraisal will be furnished promptly without obligation. References upon request.
