

The extra cost for single rooms (with a bath) at hotels in the itinerary is £1 5s.

It is realized that after the Congress some will wish to visit some of the most interesting places in the United States or Canada. Many tours can be arranged, and itineraries will be prepared to suit individual tastes and requirements (providing for travel tickets, hotels, train accommodation, sight-seeing excursions), if members will forward at once to the nearest office of Thos. Cook & Son, Ltd., particulars of the places they wish to visit and the time at their disposal.

#### OBITUARY.

C. FLOYD HAVILAND, M.D.

We regret to announce the death, on January 1, 1930, in Cairo, of Dr. C. Floyd Haviland, Superintendent of Manhattan State Hospital, Ward's Island, New York. He had a distinguished career in psychiatry. He was formerly State Commissioner in Mental Hygiene, and in 1926 President of the American Psychiatric Association. He was born in 1875, and had reached his optimum of vigour and usefulness, and his unexpected decease came as a shock to his American colleagues, and to a still greater number of other friends and admirers.

Members are requested to return all long-outstanding books to the Library as soon as possible for the purpose of cataloguing. It appears that in a number of instances in the past there has been a failure to register the loans. Six members are thanked for returning books which have been lost sight of for years.

Members are invited to make gifts to the Library to assist in building up a historical collection of psychiatric works from the seventeenth century onwards. In selecting books for presentation, members are advised to consult first the Library Catalogue (Messrs. J. & A. Churchill, price 2s. post free), in order to see what works the Library possesses and those it is desirable it should possess.

The new accommodation for the Library at the B.M.A. House is available for use. There is now ample room for the expansion of the Association's collection of books.
