

## ACKNOWLEDGMENT

### *2003–2004 Referees*

*Econometric Theory* acknowledges the services of the following persons who acted as referees for the Journal during 2003–2004. The quality of the final research product that appears in each issue of the Journal owes much to the specialist knowledge and the painstaking, silent contributions of our referees. The Editor, Co-Editors, and Cambridge University Press thank all our referees for their services and apologize if the following list is in anyway incomplete.
