Due to errors that occurred during the typesetting process, the numbering of some footnotes is incorrect in the article. The marker for footnote 10 should have been deleted from the text, and all subsequent footnote markers in the text should be decreased by one. In other words, “...after the protests had first appeared.<sup>11</sup>” should read “...after the protests had first appeared.<sup>10</sup>” and so on.

Additionally, the contents of footnote 22 should replace the contents of footnote 21, and footnote 22 should be deleted. The correct final footnote of the article should read as follows: <sup>21</sup> Emily Bare, “Russia-Ukraine War and its Impact on Women and Children,” Geneva International Centre for Justice, Positions and Opinions, November 16, 2022.

The publisher apologizes for the errors.
