

Current bibliography of urban history

JOHN SMITH, JOANNA HERBERT and
NICOLAS VERDIER

This bibliography is a continuation of and a complement to those published in the *Urban History Yearbook* 1974–91 and *Urban History* 1992–2000. The arrangement and format closely follows that of previous years. There is an index of towns on p. 508. The list of abbreviations identifies only those periodicals from which articles cited this year have been taken.

I General

Research methods, aids and materials
Urbanization
History, growth and fortunes of individual towns
Portraits of towns: literary, photographic and graphic

II Population

General features of urban populations
Nationality and mortality
Disease
Medicine
Migration to, from and between towns
Population movements within towns
Family and household structure

III Physical structure

Research methods, aids and materials
Physical and structural characteristics of towns
Sites and buildings
Housing
Environmental conditions

IV Social structure

Social structure and characteristics of towns
Social structure and characteristics of areas within towns
Social organization, clubs and societies
Social life
Social problems and deviance
Social reform and improvements
Minority groups
Family life

V Economic activity

Urban economic activity
Industry
External trade
Internal trade and services
Labour organization

VI Communications

Inter-urban communications
Intra-urban communication

VII Politics and administration

Research methods, aids and materials
Urban politics and administration
Urban politics at national level
Aspects of urban administration
Public utilities

VIII Shaping the urban environment

Research methods, aids and materials
Town planning and environmental control
Utopian planning and experiments
Housing improvement
New and expanded towns

IX Urban culture

Urban culture and entertainment
Entertainment
Fine arts
Exchange of information
Education

X Attitudes to cities

Research methods, aids and materials
Attitudes towards cities
Views of the city in literature, graphic and dramatic art
