

2002 manuscript referees

Each year *Polar Record* calls upon numerous scholars to assist in the demanding and intensive procedure of reviewing manuscripts submitted for publication by their peers. These individuals give generously of their time and expertise to help insure that a high academic quality is maintained in *Polar Record*. During the year 2002, some 110 individuals assisted in the review and refereeing process. Our deep appreciation for their assistance is offered to all of these individuals, including the following:
