The published version of this article (Pereira et al., 2024) requires the following corrections:

On the eleventh page, the “Remarks” section omits part of a citation in the first sentence, which should read: “The taxonomic problems surrounding *Phacopidina quadrata* and *Dalmanites solitaria* Barrande, 1852, later established as the type species of *Sokhretia* Hupé, in Choubert et al., 1956, have been discussed by previous authors (e.g., Šnajdr, 1984; Vaneček and Vokáč, 1997) and will not be discussed further here.”

The acknowledgments contain an error. The paper is a contribution to project PDI2021-125585NB-I00 of the Spanish Ministry of Science, Innovation and Universities.

The publisher apologizes for these errors.
